The Story:

Olivia is the perfect balance of naughtiness and intellect. She?s blond, curvy, vivacious, funny, caring, charming and extremely good company. An evening spent with her is like having an old friend round for drinks, but in the certain knowledge that it will lead to great sex, sooner rather than later.

If the naughty schoolgirl thing does it for you, request this from Olivia. She looks a picture in her little sticky-out school skirt, white socks, school shoes and white shirt. Her tie matches the skirt and the overall effect is breath-taking. She moves well and seems to adapt easily to what you want. I?ve even managed to persuade her to take a gentle spanking.

Olivia?s also very busty (natural she tells me) and her breasts are firm and generous. She has a couple of discreet piercings ? you?ll have to book her if you want to know more.

I can?t rate Olivia highly enough. I am also very partial to Natalie but decided to take a chance on O when I saw her cheeky face on the 00-44 site. I?m so glad I did. I?m considering booking them both for a duo if my heart will stand it.

During our ?downtime? O and I chatted about our mutual love of France, food and wine. It really is a very easy and intimate experience. I can?t wait for her to come back to the UK on her next visit ? she splits her time between here and France.

I suppose what I love about Olivia is the sense you get that she?s at ease with herself. There?s nothing worse than the girls who do it through gritted teeth or the hard-faced, consummate actress who pretends to engage but who wouldn?t piss on you if you were on fire.

If I had a large bank balance I'd just book Olivia for one or two weekends every month ? that's how much I enjoy her company, both dressed and undressed. And as for the agency, well the amount of positive feedback says it all ? we're talking genuine rather than rip-off and a guy who really cares about the safety of his girls.
