The Lady:

She's cute - a lot more petite than her pictures on the website suggest. My type of girl, slim and pert with a friendly smile and nice eyes/

The Story:

Bethany had a not very good report on punternet, but I had been promising myself a visit to her ever since I saw her photos, and I wasn't dissapointed. She was very friendly and attentive, asking what she could do for me and making sure I was happy with my visit. Oral technique was great - the only problem from my point of view is that she doesn't kiss on the lips, which is her decision of course, but I do like a nice kiss. However, everything else was good enough to make a return visit a distinct possibility.
