### The Premises:

well described in previous reports.

### The Lady:

small, young looking (must be around 20 but looks younger ;-), fair skinned girl of pakistani origin. nice looking but no stunner. also does not have much meat on her (which i usually like)and small but nice tits. has nice skin too and has a fresh appeal to her.

### The Story:

a good session - a lot of fondling, covered bj, lots of fingering, a few positions and finished off by hand. sumeera seems fairly new to the game so has a sense of freshness that appeals. not usually my type but can see myself seeing her again.
