The Premises:

A very discrete basement apartment in close proximity to Earls Court which is well furnished and appearing to be very safe.

The Lady:

Blonde with great looks and a very good figure as per photos and description.

The Story:

I received a friendly welcome and was shown into a well appointed room to await the young lady.

Sylvia came into the room, tall and blonde as in her photographs. I was, however, struck by her sexiness and personality - which of course do not really come across in any photograph. I had clearly made a good choice for my Sunday treat.

We discussed what I would like to indulge in and this was quickly agreed, as were the other arrangements. Sylvia then left the room whilst I readied myself.

Sylvia re-entered the room and immediately demonstrated that she was in charge. I quickly found myself spread-eagled on her cross. A black cord was then produced and Sylvia proceeded to tie up my cock and balls, demonstrating her expertise in this procedure perfectly before applying a heavy weight to my cock to add to the sensations I was already feeling.

Next Sylvia turned her attention to me nipples with several clips being applied repeatedly, each time increasing the sensitivity. Not content with that I suddenly found clips being applied to my balls, the impact of this being to harden my cock still further, which in turn increased the effectiveness of the weight hanging from it.

I was then released from the cross and the black cord was also removed. I was then instructed to lay on the bed. A few quick strokes of my cock with her hands followed before it was well lubricated. When Sylvia donned some surgical gloves I knew that the finale to my visit was very close. Her

fingers slid inside me and probed me whilst at the same time her other hand vigorously stroked my cock. There was absolutely no way that I could hold back from this two pronged attack upon my bottom and cock, much as I wanted to, and it was only a matter of seconds before the inevitable happened and I spurted forth.

This was an extremely satisfying visit to a very sexy young lady who is very versatile. I have no hesitation in recommending a visit - I will certainly be making a follow-up visit and intend to extend the length of my visit as I am sure that would make it an even more worthwhile experience.
