The Story:

I'd asked for Nicole to be dressed as a schoolgirl (the site's pictures show her very well), and she looks a lovely poppet in her uniform.

We didn't waste much time after she'd taken the money: her tongue was down my throat pretty quickly. Her deep french kissing is superb! Then we started mutual fondling and undressing, very nice! Very soon she started some lovely OWO and I reciprocated. I then asked her to get on top: she bounced up and down with a lot of enthusiasm but when I sensed she was getting tired, I asked for doggy but she wasn't sure what I meant so I soon showed her. Finished off in mish staring into those lovely eyes and innocent face.

Plenty of time for a chat and cuddling after, quite a GFE.
