The Premises:

Terraced house on main road, easy parking in safe area. Front door is a bit exposed but nobody takes any notice of you.

The Lady:

Holly is a lovely cuddly girl, size 16, around 35 years old with large 38DD tits and big hard nipples. Her pussy hair is trimmed very short.

The Story:

Holly opened the door wearing a very short black see through dress with brief pants and sexy black bra. She asked me to follow her up to the bedroom showing her lovely bum to me as we climbed the stairs. We sorted the money and she left the room telling me to undress and lay on the bed. After about 2 minutes she returned and sat on the bed next to me chatting for a while. She got off the bed and let her dress fall to the floor followed by her skimpy knickers and sexy bra, her tits looked very inviting hanging free. While I lay face down she massaged my back and bum which was very nice and then she slid her hand between my legs playing with my balls, this was mind blowing. She asked me to turn over and then said "Wow" with surprise when she saw my cock and balls were free of hair. (yes guys I do shave them, you should try it, its great. The sensation is much better having no hair in the way.) She took my erect cock into her mouth taking it all the way in as I played with her lovely tits, at the same she was squeezing my balls, she gives a great BJ. After a while I stopped her, (before I shot my load) and asked if I could lick her pussy, she said yes please I love to be tongued. I slid my tongue into her juicy pussy and slipped my finger up her bum, her legs were over my shoulder pulling me into her pussy and it wasnt long before she said she was about to come, and with a loud shout she shot her juicy come all over my face, what a lovely taste. Then it was on with the rubber and we moved into the 69 position, I was swallowing her pussy juices while she brought me to a mind blowing climax, this was the best BJ I have had for a long time. Holly is a great girl and worth a visit, go and see her guy's and dont forget to shave around your balls, its worth it.
