The Story:

We had exchanged e-mails, but had not actually spoken until she called me some 15 minutes before she was due to arrive. She sounded bright and bubbly, and I knew from that moment that, although we had not met before, booking her for a longish dinner-date would be a great success.

He arrived and I was not disappointed. Knowing her passion for tea, I had laid in a good supply of teabags and milk. Before going down to the bar, she made us both the first of many cups of tea. In the bar, and over dinner, she was chatty and entertaining, but it was one of those situations where in public we were both on our best and most professional behaviour, with little hint being given, apart by those wonderful eyes of hers, of what might follow later in private.

Upstairs, she revealed herself to be one of the nicest friendliest girls I have met. She was wearing a wonderful matching bra and pantie set. She kissed adorably, and her breasts, standing large and proud, were out of this world. Her OWO was superb, as was the lightness of her touch which had me tingling from head to toe. Whatever she was doing to me, her beautiful face was always turned in my direction as her amazing eyes gazed sexily into mine. She was great in bed and afterwards, we lay chatting like old friends. It wasn't continual or frantic sex ? I don't think that's me any more ? but it was a most rewarding, relaxing and entertaining evening, with a unique and special girl.
