The Premises:

Yuki's flat was big. I think other girls may work there too. It has a piano in the living room, and was kept tidy. The flat is just across the street from Bayswater station so easy to find, and the agency was very helpful in texting me the address and giving me directions to the door from the station.

The Lady:

Yuki is a very tall and slender young Japanese lady with a gorgeous body and a beautiful face.

The Story:

From other field reports i have heard about Yuki's bbbj technique and she most definitely lives up to the hype. I enjoyed this until the cum shot out from my cock into her mouth, and then it was onto round 2 and I wanted some anal. She told me this would be ?50 extra which was fine by me so she rolled a condom on my cock with her mouth and then I pounded her bumhole and she didn't complain and actually seemed to be enjoying it. I continued doing this for about 15 minutes until I couldn't hold on anymore and finished. I had a glass of wine with her afterwards and got to know her a little. She is very friendly, speaks pretty good English, and knows how to keep a man happy or at least this man anyway.
