The Story:

In spite of what it says on the site this girl does not kiss, does not do OWO and obviously does not do CIM. On complaining to the agency I was handled very aggressively and told that it must be my fault. I was quite handsome in my youth and still have my own teeth and hair. Half an hour before seeing this lady I was in the shower. Many other working girls have not complained. Half an hour into my one hour booking I was out the door.
