The Lady:

Stunning! Great smile and a Jay-Lo ass

The Story:

Had my eye on her for a while and it took a lot of internal soul searching to go outside my usual punting budget but I am glad I did. Her English is spoken with a great accent and that in itself was a turn on.

here are the highlights:

BJ: was without and with a smile (mine!). Technique was good but a little too hard in places.

Sex: fantastic, real GF sex without the fake moans.

Kissing: with tongue and it was as if we had known each other for years.

She accepts reverse oral and 69 and gets very wet.

Attitude: real GFE.

Don't know if she does anal but if she does it must be out of this world with that ass - sadly I did not bring myself to ask.

Overall I'd say it was worth it and very enjoyable
