The Story:

I have had the pleasure of Melanie several times.

By that I mean that we have had a good laugh together, had very interesting and intimate conversations, got drunk together and shes great to look at.

But more importantly the things she does is amazing. I can honestly say she lives up to her name as head girl, she gives the best head I have ever had.

I was was never into head much but she changed all that. Its an experience one should indulge in and to tell more of it here would be to spoil your own enjoyment. I travelled over 150 miles just to see her.

I don't think Melanie is one for the finer details being written here, but she indulges in more than vanilla sex and will perform some domination on you.

I get the impression the only thing lacking with Melanie is your own imagination.

Bottom line is I recommend this lady and I am going to see her again.
