The Story:

went to see gina because she said she did all of the things i wanted and i was very taken with her looks (sultry, sizzling, sex goddess). I was greeted by gina almost wearing a skimpy camisole top and nickers that only just hid the prize. was straight away snogged into submission before getting rid of all of our clothes. then into bbbj from gina that was definitely the best i have ever had and so good i couldn't wait to return the favour. she tastes GREAT. then it was time to go for the watersports which was the main reason i was there. gina managed to produce 1/4 of a pint which tasted lovely but i had a bit of trouble returning the favour. after a lot of trying i finally managed to give gina a positive shower. it just kept coming. the best punt i have EVER had because the atmosphere was so very very friendly i am already filling my pennies jar with a view to returning
