The Premises:

The place was neat and clean. The area is very safe. Great area for going for a drink afterwards.

The Lady:

Blond haired Latvian, very friendly and sexy. Good body and nice hair. Smelt good.

The Story:

Started with kissing her nipples and then her mouth which was really fantastic. Her mouth tasted sweet. Moved gradually lower to kiss her thighs and lick her tasty pussy. Snogged a bit more before it was my turn. She provided OWO and looked straight into my eyes whilst doing it. Good technique, had me hard in no time. I suggested we should now have sex. Took a bit too long putting the condom on and the old fella decided to take a dive. Bearing in mind the time, I suggested we should go back to the OWO and she happily obliged. I came into her mouth, and she sucked every last drop, bringing events to a satisfying conclusion. With her mouth now quite full, she popped off to the bathroom to freshen up. When she came back we had a quick chat before I was on my way. I must see her again. She is a gem. BTW, I think the agency have got their pricing perfectly right, the 30 minute rate represents excellent value for money. This is my first FR, so please excuse the essay.
