The Premises:

Small but spotless, in Shawlands area near Langside Park, felt safe, parking can be a problem though.

The Lady:

Attractive, slim blonde, nice tits, my guess would be in her late 20s, friendly manner put me at ease.

The Story:

After Tara explained her range of services I opted for owo and sex. Started with a gentle massage, I then turned over and she went to work with her mouth and tongue and she knows how to use them! We then went to missionary position and then to doggy and I came in that position. I am by no means a regular punter, I've done around 10 in as many years and many have been the 'take your money and shuffle you out the door asap' type. Tara is not like that she is pretty, friendly and doesn't rush things....easily my best experience to date.
