The Premises:

It was my hotel which was fine, if standard. Victoria coped well with a power cut during part of her stay with me!

The Lady:

Demure and deceptively innocent-looking. She has red hair, cute freckles, a milky skin and full breasts. She wore a see-through nightie with no knickers (underneath her jeans and overcoat!)

The Story:

Victoria is good company, and an interesting conversationalist, talking about topics you would not dream of (including some which are rather daring). She gave me sustained OWO, including CIM, which was unbelievably good - both skilled and with a real erotic charge. I think this was the best sex I have ever had, and I am looking forward greatly to repeating the performance. Thanks Victoria. Also thanks to Nat at Notorious for fixing the appointment with aplomb despite a short panic over a power cut at the hotel.
