The Lady:

bit spottier than pics. airbrushing is amazing. fit firm body with nice arse. young eastern europe girl

The Story:

poor punt. the problem with most young girls from e.e. is that they are not really providing a service but takin money for a poke.

1st time was like undressing a manequin. she jus stood there arms down by side and did not know wat to do. shagged her on top. pussy was nice an tight but she wasnt takin it deep. little involvement on her part.

after pinching so called massage and pleasant convo went for rd2 of owo and doggy. after a little doggy she complained it hurt. so went into mish. it was here i found she was not shy like i thought but jus cold. she had enough experience to tense legs so as not to go deep inside her again.

all in all waste of time, cos its a shame she looks good but performance is sterile. i prefer girls who act like they are up for it too.
