The Premises:

Plush hotel in not far from Kens High Street. No complaints.

The Lady:

Blonde English babe as in the pics. Enhanced chest but a fit girl all over so the implants do her justice.

The Story:

I was greeted by Amy in a miniskirt showing the beautiful curvature of her peach of a bum which had my todger standing to attention right from the minute I set eyes on her.

To keep thing short, Amy is a raunchy girl. I relaxed my laws on kissing with wg's and we had a good snog which ended up with her flashing her tongue all over me like a lizard.

The first round was intense and I let her give me a very deep bbbj and ended up filling her mouth with my juice. After a trip to the bathroom she returned, and lay together stroking each other before she initiated a second round which was more relaxed and included shagging in mish and doggy.

Good session.
