The Lady:

Absolutely beautiful girl. Fantasy girlfriend stuff.

Long blonde hair extensions, gorgeous face and smile, smooth tanned skin, gorgeous enhanced breasts, pierced navel and slim toned body. Max, you really need to get a new photographer. Much more beautiful than her pics!

Personality as beautiful as her looks. Very friendly, chatty and easy-going.

Point of note, I found the receptionist not the friendliest but what the hell!

The Story:

Lots of kissing and carressing before stripping and laying her back and going down on her amazing smooth-shaved pussy for ages. Nice owo from her and 69 for a bit then back down on her for another while....she tasted and looked amazing!!

Sex in as many positions as I could think of. Then her finishing me by hand (with a little oil) over her amazing breasts.

Quick clean-up, chat and a kiss and she left. Think she might have left a little before the hour but not ny much.

A really beautiful girl with a beautiful personality too! If only all girls could be like that!
