The Lady:

Julia is very attractive, sophisticated looking girl, yet very friendly.

The Story:

Julia's photos don't do the justice; she is definitely more attractive in person, looks more mature than 19. She is very tall and slim, with smooth glowing skin; you could tell she takes excellent care of herself. We had a nice chemistry between us, it was unrushed enjoyable session, she did not do anything extraordinary, and her skills are about average, just a nice girl to visit and to relax with.
