The Premises:

Very smart flat off Gloucester Road with marble floors. Quite a big flat but the room itself was small and not much space to hang up or place your clothes.

The Lady:

Brunette with a tanned complexion. Nice figure and boobs are 36b. Quite a pretty girl and said she was half Polish half Italian.
I'd estimate her age to be around mid or late 20's.

The Story:

Lay on the bed and received a soothing massage on request which led to her flicking her tongue around my nipples and gradually moving south. She asked whether i'd like a condom for the bj. I opted for an uncovered one which was ok though not depththroat. I then asked her to suck my nipples whilst I jerked myself off and brought a swift completion to the first phase. After a relaxing period of some 20 minutes which were spent chatting, the second cumming came after some shagging in various positions. Wasn't rushed in any way and stayed until time was up. Overall, i'd rate this as an average punt. Nothing spectacular or overly raunchy and probably wouldn't see her again as I have a whole host of beauties on my list to see. However I left satisfied on this occasion and wouldn't hesitate to recommend.
