The Premises:

Nice flat in Chelsea/Fulham area.
Parked (Meter parking) at a fair distance.

The Lady:

Aussie girl with golden blonde hair and big boobs. Nice figure. Pictures are a good resemblance.

The Story:

Having had some good punts with this agency in the past, I decided to try a selection of their current talent (I had found one of my favourite wg's through this agency many years ago). She too was Australian and went on to become an indie but has now retired.

This punt (unfortunately) was nothing to write home about.

Have recently tried other girls from this agency who have pleased me greatly, yet Courtney made little effort to get even a silver star.

To her credit she gave good oral and allowed me to spank her bum while i shagged in doggy.

However, looking back, it was a very ordinary punt.

No real enthusiasm on her part and shows she's just in it for the money. I doubt that i'll see her again.

Perhaps she was tired but had she hinted that before the money exchanged hands i'd have run out as swiftly as I came.
