The Lady:

Bloody Hell

Rania (who also goes by the name of Asha with another agency) is a stunning amazonesque combination of Indian and Russian. Far too many girls are described as having model looks - but this one really does. Tall (5'10" I'd say - from her Russian side presumably), slim, fabulous figure and very good looking. Up with the very best; and for the lover of Indian looks, quite exceptional. The photographs give the general idea and I think they are authentic - but she is considerably prettier in real life.

The Story:

It is hard not to enjoy your self with such a gorgeous girl! Her English is not great but good enough and she was willing to comply with all reasonable requests. She is perhaps slightly aloof but that fits very well with her looks and general demeanour - more princess than working girl. Note that she doesn't speak a word of Hindi or Urdu - her first language is Russian.
