### The Premises:

Scorpio Leisure has been well documented in this site and found the descriptions very accurate. I felt safe, comfortable and relaxed. I had six ladies to choose from and waited to see them all, but as lovely as they all were it was Tia the second girl I saw which I decided on.

### The Lady:

This lady is particularly pretty! She is about mid twenties 5'7" tall slim very nice figure, neat firm breasts and fairly long brown hair. She reminded me of the girl at school you really fancied but felt you never would ever get the chance! "Love to see her in a school uniform" she would look the part!

### The Story:

This was my first time in Scorpio and only my third in a sauna, and it felt like third time lucky! I could not fault Tia, very responsive and always aware of your needs.

We started off with a massage which was very nice as she massaged my balls and groin I told her that really gets me going and she remembered that all the way though and kept going back there keeping me really hard!

From there I got a bbbj which was done with passion then I asked her if I could taste her pussy, her reply was of course and then onto a 69. Her pussy was shaved and tasted divine as was her tight arsehole I lapped her up. Now at this point I don't mean to be bigheaded but, we all have certain talents and mine is my tongue, I could feel that she was enjoying my licking her and she moved and moaned in the right places, I know that she was being paid but the fact was that I said that if she wanted to sit up and on my face she could and she did. After this without any prompting from me she remarked with a big grin "that is some tongue you have there", I just smiled.

We then had sex in various positions which was really good I offered to lick her again and the reply was "how could I refuse" with a knowing smile. So I did she also let me put my finger into her arse and play with it very nice. As she was wanking me I started to cum and quickly asked her to suck my cock and she knew straight away and sucked as I came with a condom on in her mouth.. WOW!!

I would highly recommend Tia and will certainly see her again for another fun packed 45min!!
