The Premises:

Nice basement flat just up from Gloucester Road tube, plenty of people about but totally safe and discreet...flat was very posh...nicely done out, very clean and tidy, there we're 2 other girls looming about in the background trying their best to pretend they weren't there...!!

The Lady:

Phwaar...very sassy little lady. Liah is very sweet, small but perfectly formed with amazing boobs, great body and lovely warm soft skin. A total sweetie...if i'd seen her out and about in a bar or club i'd have had to buy her a drink or two.!

The Story:

I showered followed by nice friendly chit chat and a lovely BBBJ, then a bit of reverse oral, she didn't want any fingers inside here then most working girls have been the same in my experience. She seemed to love the little licking i gave her...then she lept up and finished me off in her mouth. Giggled as she spat out my cum into a tissue...she got a full load...!! A bit more chat...she's really lovely to talk to...then a bit more hanky panky finishing off with a bit of a pump action blow job where she made all the right noises and took another load in the kisser. Generally lovely time was had. She gave me a little massage too which was nice.
