The Premises:

Nothing too lavish, but not dirty in the slightest. Clean shower; nice waiting area; rooms OK. Parking at rear if you can get it. If not (which is likely during a weekday), there's a big pub car park opposite.

The Lady:

You won't find a 'masseuse' in nottingham fitter!if you do, let me know!!5ft4ish, late 20s; long, dark curly hair; big lips; tight tight arse; and tits to die for!

The Story:

Spangles isn't a full sex establishment. It's a very good massage followed by a hand job with the girl in various states of undress. Fortunately for me, i've seen Angie a few times and we're well beyond that point, tho!she loves to give as well as receive lets just say. As well as being fit and up for it, she's a nice girl too - not one sniff of attitude (pity the same can't be said bout the rest of the staff there). A silver lining to an increasingly darkening cloud that is Nottm's sauna scene (re: nasty 'girls' at Rio, price hikes at Genesis!)
