The Story:

If your idea of a good time is "wham bam, thankyou maam" then Paula is not for you. But if you want to spend time with a wonderful lady who understands that good sex happens inside your head - and that laughter is a potent aphrodisiac - she's the one. Very sensitive, very tactile.

We had 90 minutes in the bedroom - but I think you could confidently, and happily, take her to any kind of business or social occasion.
