The Premises:

Victoria House lived up to expectations - excellent. Clean, well-appointed and just far enough away from the main shopping area to be discreet. Pictures of the ladies cover every square inch of wall downstairs (but unfortunately no names so can't match names to faces!)

The Lady:

Very pretty slim blonde with a gorgeous body, about 34-24-34.

The Story:

Phoned a hour before and booked 30 mins with Melanie, and lucky I did because all four ladies were busy (they were short one girl - there are normally 5 on a Saturday - Alex, Jessica and Nikki were also working). Welcomed by the two maids who gave me a tour, made me a cup of tea and were generally very helpful. ?12 entrance fee plus ?40 services. Communal changing area and open showers so not for the shy - you will meet other punters (and the maid who occasionally wanders through).

Had a shower then went upstairs to wait with two other punters whilst watching the football. Right on time Melanie came upstairs looking very good wrapped up in a black tunic and high heels. I had booked a standard room which had a massage table, a sofa, and the love-chair hanging from the ceiling (described in a previous report - you can guess where we ended up!). Melanie quickly lost the tunic revealing lovely figure-hugging underwear. A superb 10 minute back massage with tantalising brushes from her hair and breasts got me in the mood. She then started to shed her underwear, guiding my hands around her body before ending up between her legs. The next 15 minutes were occupied with her suspended in the love-chair, which made the fucking easy for both of us.

An excellent good-value punt with a gorgeous, chatty and enthusiastic lady.

A final request: Victoria House - how about putting a few more of the ladies pictures on the website?
