The Lady:

Gina has been described before - she is 'sex on eggs' and obviously very comfy with her body. Not a page3 stick insect but a gorgeous horny woman.

The Story:

Fantastic visit. Gina started deep kissin as I closed the door and that set the tone ... she obviously loves what she does, and cant seem to get enough. We snogged for england and she sucks as if there is no tomorrow. On the sofa, across the sofa, on the floor we kissed shagged and sucked our way thru an exhausting hour! if you want full on, ALL the time then Gina is for you. She's a good laugh as well. I will remember for a long time sitting on the sette with Gina kneeling down in front, blowing me like a demon whilst watching Gina herself on the TV playin with herself on a DVD... wicked! she deep throats like no-one i've seen before - the whole lot goes in ... I came deep in her mouth and then withdrew and blew the rest over her face with wide open mouth - brilliant ... she then ran in all down herself and rubbed spunk over her breasts and blew bubbles - a real 'dirty' enjoyable lady ... it didnt stop there but I will ... see her, it well worth it.
