The Lady:

Christina is a very pretty, dark haired girl with a lovely figure and very well dressed.

The Story:

Christina is very intelligent and articulate and we had an interesting conversation before the fun began. We kissed for a while, then Christina gave me some rather more personal attention with some wonderful oral. She is really very good at this, with lots of eye contact, strong sucking round the end and some occasional but judicious use of her teeth. We had great sex in a number of positions, Christina is a very energetic and attentive lover who ensured I finished a satisfied man.
