The Premises:

Discrete flat in a quiet part of High Wycombe. Enough activity in the area for you not to be noticed. Interior of apartment was well decorated and I immediately felt 'at home'. Morgan made me feel welcome and offered me a variety of drinks. We settled on a glass of wine each.

The Lady:

Morgan is more stunning than the photographs on her web page suggest. She has dark auburn shoulder length hair, green eyes and about 5'6" tall. Great 36C breasts and a neatly trimmed bush. No tattoos or body piercings. Dress size is about a 10/12 at a guess.

The Story:

The visit was really fantastic. We sat and chatted for about 20 minutes before some passionate French kissing and funbling. Before long we adjourned to the boudoir and slowly undressed each other, kissing all the while. Morgan ended up on her knees giving me a great OWO. I was then asked if I fancied a massage, not the best, but it did the trick and I was soon really relaxed. Over onto my back for more OWO which was superb and went on for 10 minutes or so. I asked if I could do reverse oral and she obliged, spreading herself open for me to explore with tongue and fingers. After a good ten minutes Morgan had a good orgasm with plenty of yummy juices for me to lap up.

Another quick OWO session to get me rock hard and it was on with the raincoat for a great session. We started with Cowgirl on top, not too energetic, and just how i like it with long deep stokes. Miss with Morgans ankles on my shoulder followed and as I got close to orgasm, we moved into doggy. Completion was great with good push-back.

After a quick clean up we cuddled, kissed and played some more. All too soon, the time was up. Morgan, many thanks and I will be back soon!
