The Premises:

Nice private flat block - ok in daylight not so sure at night. Flat itself well furnished very clean and tidy. Very woman next door type of set up.

The Lady:

Sandra says she is 52 years old and I've no reason to doubt that. Not showing too many signs of her age - real boobs and could appeal to those who like the aunty type of working girl - looked good in black stockings and suspenders - mmmm

The Story:

Took a little time to find her place but she was very patient and directed me in. Second floor of a block intercom entry very private. Shown through to the bedroom and made to feel welcome. She dressed as asked and gave a good massage before a covered blow job to get me to attention. Was happy to play with herself as I watched as I asked before I did the deed in the Mish position. No rush happy to fit you in when ever if you become a regular normally works 12.00 - 8.00. When not try her - you might just be surprised !
