The Premises:

Reasonably clean premises. Access up external stairs but at back of building and safe and discrete. Car park convenient

The Lady:

Blonde girl mainly as website description. Well built with, as she described, "thunder-thighs". Nice boobs and backside. Wearing black see through dress and black bra and knickers.

The Story:

Disappointing time with this girl. I had asked when booking whether she French kissed and accepted reverse O. In fact after perfunctory back massage got the kisses - but lips only. Anal on offer for ?25 extra. Does not do OWO. Accepted reverse O but she just lay there with no response except an occasional fake moan, which is a real turn-off. Don't think it was my poor technique - had no problems elsewhere! was keen to finish me off with oral as quickly as possible and I eventually succumbed. As I told her at the beginning I can't manage twice in one hour. Just think she was keen to get me out and get home, though they advertise as being open till 9 pm.. Thoroughly disappointing punt
