The Premises:

Sandy's Northenden Parlour is still a pretty good one, even if it is a wee bit overshadowed by their recently-refurbished Prestwich parlour. Even so, its facilities still set a standard which some other local Parlours would do well to emulate.

The Lady:

Morgan is a fit (in every sense of the word!) late-20's (maybe early-30's - today was her birthday) girl. She's about 5' 6" tall with a really exuberant personality.

The Story:

This was an interesting punt. It was a bit different from what seems to be the norm for local Parlours.

Although this was the first time I've met (had the courage to meet!) Morgan, I do enjoy delivering reverse oral and like to think that I can do it reasonably satisfactorily. After she had massaged me front and back, including body-to-body, she turned over and presented her pussy for licking. Well, I don't need a second invitation; and sure enough, before long Morgan was holding my head there until she had finished coming.

Then we switched positions and she provided me with a really energetic, yet sensitive owo (included in the price shown above). Which led on to my coming extremely satisfactorily over her. If I'd known it was her birthday, I'd have brought her a prezzy. However, she seemed satisfied with my efforts; I certainly was with hers!
