### The Premises:

Safe flat in Bayswater, probably shared, quite tatty, damp patches needs a few quid spent.

### The Lady:

Definitely the girl on web site, if she hadn't been so bored and miserable looking she would be quite a sexy lady.

### The Story:

Well its finally happened, my first bad punt. I struggling to think of anything positive to say about this visit. Opened the door, she wasn't wearing what I requested (maybe doesn't own a mini skirt?), I gave her fee to her in an envelope which she opens and counts out in front of me, then says 'get your clothes off! I guess no build up here then me thinks, or a smile come to think of that! To be honest I can't be arsed to write much more, but to sum up what the agency describes as a 'very open minded and playful girl', I ended up with OWO which was more handjob than mouth, no FK, CIM, facial, fingers in pussy, and no fuck....ok I lied there, I got 2 minutes then had to stop because she said my cock was too big (8in on a good day and I didn't have it all in!) She offered to finish me off by hand, which she did quite well while she studied her nails! Had enough, showered dressed, out the door and down the pub to drown my sorrows...
