The Premises:

Very presentable and clean, well documented previously

The Lady:

A very attractive blonde with medium length hair. About 5'4" with small pert breasts. About 30 years old for a guess.

The Story:

Was a generally good massage on the back but was rushed on the front as extras were more pertinent.

However it was the extras I had in mind when I entered the establishment.

Very horny experience but I was a little disappointed that she didn't do reverse oral.

It did put damper on it as it's one of my faves as foreplay, she did however do a hellof a tease job rubbing her cunt past my snout.

It all finished with the predictable spurt.

A pleasurable experience but I prefer a g/f type.
