The Premises:

Single-room bedsit in massive mansion. Contained a bed, a sink, some cupboards and a tiny bathroom. It would be dangerous to swing a cat in.

The Lady:

Incredibly gorgeous blonde. Looks much nicer than her photos which are hot enough. Also on Cheap and Chic as Natalie.

The Story:

I got there 15 minutes late due to trouble on the tube. Had to have a shower as it was unseasonably warm. Came out and got a hard on just looking at her in a short black dress and heels. She sat on my lap, the dress came off and we got going. I gave her some attention down below: she looked awesome on her back with her eyes closed and legs spread. I turned her over and pumped her in doggy. With her thrusting against me, I came. After a ciggy and a chat (she is EE but very competent with English) she brought me off again with covered oral. She had to get dressed and be somewhere else so I had to leave on time, despite arriving late. No complaints as I left drained.
