### The Premises:

As already reported, there is a back door for wimps, so I decided to use that! It did cause me a bit of confusion as there is a number of back doors behind the lane, it turned out to be a white door set back with a parking bay. You need to phone when you get there if you want to use this.

### The Lady:

Jennys blond about 5'8" slim, nice figure with nice small breasts, a very attractive body all round, early 20's

### The Story:

This was my first visit here and I was looking forward to it, as I have read good reports about it. Jenny was ultra friendly and it was a real pleasure to be in her company, very chatty with a few laughs along the way. A fully inclusive price with some nice kissing, not all girls like to kiss, so that's a bonus. Without going into all the sexy details, it was a super GFE no rush hour, plus a nice cup of tea before we started and another when we finished. An on site shower would be nice ( hint, hint management ) The oral to finish off was the best I've had, a real orgasmic mind blower, thanks Jenny.
