The Story:

Having sent a few emails to sort out times and dates the appointment was made. A couple of texts on the day to confirm all was well. I awaited Dianna's arrival. She was right on time so after a brief chat we went to have dinner.

Lot's of conversation during diner was a good start to the evening. we returned to the room to enjoy the next few hours.I'm not going into detail but after undressing her there was lots of touching, kissing and massage along with some fabulous fun and games between tea breaks ! Yes it's all true about the tea drinking ,Just as well I had read the previous field reports.

As always time goes too fast and we had to finish our evening ,Dianna is not a strict time keeper and did run over a little . I walked her back to her car to make sure she got away safely as it was very late .

Dianna has a wonderful body and certainly knows how to please .She is very great company and makes you feel very comfortable as soon as she arrives. I plan to visit her again soon .
