The Premises:

Fantasia is very basic - a bit tatty but in view of the low prices, acceptable. You can park in a road almost opposite the door.

The Lady:

Kelly is very very slim, about 5'5" blonde with very small breasts, aa cup I would guess. Lovely personality, chatty and interested in her client.

The Story:

Both girls on duty were busy, so had a bit of trouble getting the front door bell answered. But eventually Kelly let me in and apologised for the delay. In the room she was chatty, pleasant, interested. I opted for the quickie, oral + sex. She was responsive to my touching and seemed to be enjoying herself. When she started on the oral (with) I changed my mind and let her go on with that.

I'm pretty quick anyway but at no time did I feel rushed and Kelly was great company.
