The Premises:

Nice flat just off High Street Kensington. Very clean & welcoming

The Lady:

Stunning looking girl, as long as you don't mind a slender body and small boobs. About 5'9", curly red hair, legs to die for and the most peachy of peachy asses.

The Story:

Well, what to say? We met, she dressed in a short 'going-out' style skirt and small black top, extremely pleasing to the eye, and exceptionally pleasing to the mouth when she started kissing me deep and hard.

Conversation is a little difficult as she's still learning English, but quite unlike the typical mechanical E European performance she was hugely responsive and deliciously dirty. Great BBBJ, isn't afraid to play around and has virtually no inhibitions. I'll spare everyone the details as I'm not writing a porn article, but I promise you that you'll have an awesome time and feel completely at ease with her.

Oh, and she definitely isn't a clock watcher - I left almost two hours later...!

Will I be back? Do bears shit in the woods?
