The Premises:

LMPs new home a new big three bedroom apartment, in a smart area and easy to get to. No CCTV or porters to negotiate in getting in. Facilities are all modern and clean, certainly a classy establishment.

The Lady:

Because this was a special celebration a total of five ladies present. Lady Marmalade herself, a sensational Indian lady, supremely sensual and highly attractive. Lisa, my favourite, a stunning blonde from Germany great looks and great tits. Sophia a lovely dark haired Spanish lady, insatiable. Mya a slim petite Indian lady. Robyn a bubbly blonde with big tits and big personality to go with them.

The Story:

A special anniversary party which was why there were five girls instead of the usual three. Lady M certainly pulled out all the stops this time. It took the theme of a masked ball with all the ladies dressed up and the guests given masks on arrival. Champagne was also on offer and an excellent spread of roast joints and accompaniments available to satisfy the inner self. Five ladies present and must have been 12-13 guests. Plenty of fun and even a lovely dancer laid on to keep the gentlemen (and ladies) entertained between bouts in the bedrooms. Lady M also ensures a good time but this surpassed anything. Many of the guests new each other from meeting at parties in the twelve months these have been running so this made for a fun and relaxed atmosphere. Great company, great sex and a laugh or two along the way. A really sensational evening. Here?s to the next twelve months.
