The Premises:

Really nice up market establishment. Car park opposite. Very descite.

The Lady:

Patrice is well advertised as being 34, blond and being a fantastic GFE.

The Story:

In reality, she is dark haired and a fair bit older, she did tell me her true age, but who cares!

She is the best ever! All I can say is WOW!

The best ever half hour spent in my life.

I have not stopped smiling yet!

If she did not cum, then she is a far better actress than Meg Ryan!

GFE is best ever.

She says she never reads the reports, so I will not thank her here.

She gave me the most memorable massage, so far, as I am new to this.

Her charm is second to none, and she is so sophisticated.

Talk about posh totty, look no futher!

GFE is best ever.

Kissing from start to finish, and after!

I just want more!
