The Story:

Arrived at the town house and paid my dues to Jake at the door. Changed into robe and went upstairs to join guys watching lesbian action with the 4 girls taking part. Two of us including myself joined them after a short while as the temptation was too much. I found Adriana and let my hands wander over her lovely body as she worked on the old man to get him hard. In no time at all he was very hard and I just had to fuck her. So Adriana knelt down doggy style and I eased him inside her and held her arse while I thrust into her. She had a great body with lovely firm tits which I held as I went deeper and deeper inside her. We were both having a great time. Then she rode me and it was a joy to watch her tits go up and down as we fucked.

A short break then it was Sable herself who gave me a fast and furious blow job, then it was on with the rain coat again and I thrust inside her as she was kneeling and giving another guy a BJ. By this time more and more guys were joining in and all of the girls were being fucked. A fantastic orgy.

Next it was Annalise as she rode me whilst I was sitting in one of the leather chairs. Once again I was in heaven I was deep inside her. Did this ever stop? - but it was too good to be true.

Another short break for something to eat and then Adriana grabbed my hand and took me up stairs to a bedroom where she got me hard again and I fucked her again and again and she made me cum as we cuddled naked together.

Down stairs again and I sat next to Chantelle on the leather sofa whilst she was riding another guy. When she had satisfied him she rode me and another guy came along and entered her arse. She enjoyed the DP.

Then it was Sable again and this time I fucked her arse ? boy was she good.

This was a fantastic party and I enjoyed every minute of it. I slept like a baby that night!!!
