The Premises:

Small block of about 20 flats on a quiet side road 5-10 mins walk from Paddington station. Clean, spacious bedroom with huge bed and wooden floor, bathroom could use a scrub.

The Lady:

Beautiful half Indian, half Russian, about 5' 9" tall, slim but with womanly thighs and a gorgeous round bottom. Breasts are smaller than the C-cup stated on the website - I'd say A-B - firm with pert dark responsive nipples. Pictures on the website are of her.

The Story:

Rania greeted me in matching bra and pants, and vertiginous high heels. Her make-up was perfect and her smooth skin smelled lightly of coconut. She was friendly throughout and her conversational English was pretty good.

After I'd had a fast shower Rania joined me in the bedroom. I gave her a preliminary groping before settling down to receive a perfunctory back massage. Almost as soon as I rolled over she made a move for my cock and proceeded to administer OWO, which was a little fast and shallow for my liking. However, things started to look up when I asked her to suck my balls, which she did with enthusiasm and skill. Plenty of eye contact too.

Nearly forgot to mention the kissing - what lips! Sensual FK with tongues etc; very nice.

Got her to lie on her back and gave those lovely nipples some serious attention, which seemed to be appreciated. Things were warming up now between us - which was nice. I moved down for reverse oral and found a perfect and delicate flower of a pussy. Absolutely beautiful. My attentions were well received and greeted with moans and shudders - genuine? Who knows.

After more OWO and ball sucking I rubbered-up for the main event of the morning. There followed a slow sensuous shag, just how I like it. Her pussy was gratifyingly tight, and she moved beneath me in a most agreeable fashion. We moved into doggy for a while and Rania was kind enough to reach

under and play with my aching bollocks - brilliant. I felt the end was nigh and we returned to mish where she once again reached down to grapple with my plums. This was how I came, cock deep inside, face buried in her lightly fragrant neck.

There was no rush for me to withdraw, but after I did I quickly cleaned up and headed for the shower.

A lovely and beautiful girl with whom I had a first rate GFE.
