### The Premises:

Clean place, easy to find but door is a little exposed to the road and local businesses.

### The Lady:

about 26-28, shoulder length blond hair, pretty with a nice figure.

### The Story:

Went for oral then sex, but Katie seemed pretty distant and uninterested throughout. Would recommend if you want a quick and painless punt but don't expect a girlfriend experience. Is the second time I've seen this girl, went back just to see if first time (going through the motions that time too) was a one off, but sadly not.
