The Premises:

Large basement flat, only saw the front room which was large and clean. Seperate shower. bathroom that was quite small but clean.

The Lady:

As per her photos, absolutely georgeous. She was wearing the same lingerie that she told me was Italian and of high quality. Lovely hair, lovely smile very clean and fresh. Natural curvy figure, clean shaven.

The Story:

I took a bottle of champagne and we shared this with some belgium choccies. We sat on the sofa for a couple of minutes before she noticed my towel going tent shaped. She laid me on my back and began by kissing my nipples and I removed her bra. I love it when a girl lets you undress her. Lots of oral both ways, she tasted so clean and lovely I had to make a complete pig of myself munching on her pussy and bum hole. She gave fantastic OWO and I came as she directed my spunk so that it brushed he lips on its way to my stomach and her tits.

More wine and choccies and she got me hard again with her mouth. On with the rubber and she sat on top and I watched her tits bounce up and down while she fucked me. Super fun and well worth the money.
