### The Premises:

Enigma is very well known and liked as a very clean, welcoming and discrete establishment. Redecorated throughout with fine facilities.

A town centre location gives a feeling of safety together with lots of convenient parking.

### The Lady:

Amanda is slim, fit and very attractive.

### The Story:

I've seen Amanda on many occasions though I've never entered a report before. I like to keep the best ones to myself! She is a treat to be with and when you really get to know her then there is always a warm, relaxed but totally satisfying experience guaranteed. All usual services are available but her main strength is to make you feel special.

I always look forward to our time together.
