The Premises:

A clean good quality apartment on one of the main routes into Sheffield city centre. There's plenty of on and off street parking nearby. The entrance is very discreet with just the number on the door in big numbers so it's still easy to find.

The Lady:

Melissa is blonde, mid 20's, about 5'5, slim and very busty. She's a very pretty lady with a personality to match.

The Story:

When Melissa entered the room I just knew this was going to be something special. Although she's very pretty with a fabulous figure it was her smile and personality that made me realise I was in for a great time. If you like a sensual massage and a warm welcome from a stunningly attractive lady then I would really be hard pushed to find anyone who I could recommend more.
