The Lady:

Stunning! Just as per the description on the website. Short, brunette, great handful sized breasts, beautiful light brown eyes and the best arse I've seen in a long time!

The Story:

Emma was a little late due to some traffic problems but she let me know. She was dressed fairly understated - black top, long black short things - I don't know what to call them (it was pretty cold so she must have been freezing!)

We had a good chat - Emma is very chatty and personable and could get on with anyone - and then into the bedroom. Her body is fantastic, glamour model fantastic! She has an all-over tan and very soft skin. Started with some very sexy kissing followed by oral with, which was great. After that, great sex in a few positions - best bit was doggy where I reached round and cupped those gorgeous tits. Sadly I blew my load far too quickly - 5 months without any will do that to me. Chatted for a bit and I went down on Emma... very nice tasting and made her cum (lots of leg shaking!). We tried sex again but I was not up to it so we finished with a bit of manual stimulation with Emma posing for me.

A wonderful experience with a fun, friendly and very fit girl. Cheers Emma!
