The Premises:

Apartment block in central London by the river. Clean, tidy and quite spacious.

The Lady:

Very sexy as per her website. Tall, blonde with a perfect figure. Not too skinny but by no way would you describe her as fat. Her biggest asset (for me anyway) was her 36DD breasts.

The Story:

Roxxy was running slightly late but contacted me by text. As it happens I was running late as well so was not a problem. Was greeted by Roxxy with a kiss on the lips, she led me into the front room and I had to wait a few minutes while she got changed. Was well worth the wait. She reappeared wearing a very short nurse's outfit that showed off those 36DD breasts. Asked if I wanted a shower. I obliged while she waited in the bedroom and put on some music.

In the bedroom told Roxxy I would like to try anal (1st for me). She started with a BBBJ which she did like a pro, including deep throat. While she was sucking away I had the chance to play with her fanny while inserting a couple of fingers up her arse, which she seemed to enjoy and encourage. After about 10 mins of playing with each other I asked her if we could try anal. WOW. We tried anal in a few different positions with Roxxy sticking a vibrator up her fanny while I banged away at her arse. Asked if I could come on her face, so suggested a 36DD tit wank with me finally relieving myself by hand while she licked my balls and shot all over her face, hair and carpet. Finished off with a pleasant massage and a chat.

To sum up - a friendly, sexy lady who is up for about anything.
